RE: PRESS ELECTRICAL – MORPETH

We at CLC Contractors Ltd would like to recommend PRESS Electrical as a Contractor to anyone in need of competent, reliable and trustworthy electricians.

We have used their services for many commercial projects since our initial meeting in 2003 and have been impressed by the high standard of works carried out by professional and courteous staff.

Recent projects have included:

Office Refurbishments

Requiring lighting, power and data cabling works

Housing Associations

Upgrading of domestic properties.

PRESS Electrical have always completed their works on time and on budget.

PRESS Electrical installation works are certified by the relevant NICEIC documentation.

Yours faithfully

Neil Balmer
