Re: P.R.E.S.S. Electrical, 16, Coopies Haugh, Coopies Lane Ind. Est., Morpeth.

I can confirm that I used P.R.E.S.S. for complete electrical work during the 'fit out' of my business premises at the new Sanderson Arcade Development, Morpeth, Northumberland, NE61 1NS.

The work involved included the complete installation of all the lighting scheme ,sockets and works associated to fulfil the pre installation requirements of alarms, telecoms and computer feeds

I found all work to be carried out to a high standard, and in compliance with statutory regulations.

All the staff of P.R.E.S.S. that I have dealt with are reliable , helpful and trustworthy and I have no hesitation in recommending this company.

Yours sincerely
